

## PAKLINA (24KM/1300m+)

**\* Because of the terrain configuration GPS has shortened the track and the relevant mileage is the one published by the organizer.**

**Start/Finish:** Starigrad-Paklenica (at Iglu Šport shop)

**Route:** Starigrad-Paklenica - Marasovići Square – hamlet Dadići-Škiljići – ham. Jusupi – ham.Jukići – Rimenić – Njive Lekine – Velika Močila – Crni Vrh – Mala Močila – Lugarnica – Marasovići Square – Starigrad-Paklenica

**Description:** : From start cross the road and go right. After cca 100m turn left towards the Paklenica NP entrance. Here turn right over small bridge and then right on the educational path that passes hamlets Škiljići-Dadići, Jusupi and Jukići. At hamlet Jukići turn left and follow the marked path straight to the small branch where turn right and follow marked path to the hamlet Rimenić. Continue straight all the way to the intersection Njive Lekine where continue straight (direction Velika Močila and Ivine Vodice). On next intersection turn left (direction Velika Močila). At Velika Močila turn left (follow direction Crni Vrh). Branch for the top Crni Vrh is going left from main path. From top Crni Vrh go back the same way to the main path, turn left. This path leads you to the intersection Mala Močila where follow direction Lugarnica (mountain lodge). This path leads you to the bottom of Velika Paklenica canyon. Turn left and continue straight to the upper lot of Paklenica Velika canyon and after cca 100m turn left from asphalt road to the educational path Pjeskarica that leads you to the entrance of Paklenica National Park. Turn left to the Marasovići square and continue straight towards the main road. Turn right, and after cca 100m cross the road left to the finish (at Iglu Šport shop).

### **Important notice:**

- Forbidden to use asphalt road that connects upper lot of Velika Paklenica Canyon and entrance Paklenica NP.
- In the case of bad weather do not go to the top Crni Vrh because of the increased risk of lightning strikes on top.
