

THREE CANYONS 42KM/2400m+

* Because of the terrain configuration GPS has shortened the track and the relevant mileage is the one published by the organizer.

Start/Finish: Starigrad-Paklenica (at Iglu Šport shop)

Route: Starigrad-Paklenica - Marasovići Square – hamlet Dadići-Škiljići, ham. Jusupi – ham. Jukići – ham. Bucići – ham. Reljani – ham. Stanići – ham. Kneževići – Orljača canyon – Mala Paklenica canyon – Njive Lekine – Velika Močila – Crni Vrh – Mala Močila – Pl. dom (mountain hut Paklenica) – Ramića dvori hut – Stražbenica (over Perina greda) – Popova pošta – Kosirica – Njive Marasovići – Njivarska strana – Velika Paklenica canyon – educational path Pjeskarica – Marasovići Square – Starigrad-Paklenica.

Description: : From start cross the road and turn right. After cca 100m turn left towards the Paklenica NP entrance. Just before the ramp turn right over small bridge and then right on the educational path that passes hamlets Škiljići-Dadići, Jusupi, Jukići, Bucići, and Reljan. At hamlet Reljan turn left and follow the path to the hamlet Stanići. Here turn left and continue straight to the hamlet Kneževići. Here turn left on the path that leads you over Orljača canyon and further over Mala Paklenica canyon. Cross the creek Mala Paklenica and follow the path that ascends out of the canyon to the intersection Njive Lekine. Turn right (direction Velika Močila and Ivine Vodice) and continue straight to the next intersection where turn left (Velika Močila). At Velika Močila turn left (direction Crni Vrh). Branch for the top Crni Vrh is going left from the main path. From top Crni Vrh go back the same way to the main path, turn left on the path that leads you to intersection Mala Močila where turn right (direction Pl. dom-mountain hut). This path leads you to mountain hut Paklenica where turn right and follow the marked path to the Ramića dvori hut. From here continue straight and then turn right and follow direction Buljma/Struge. From this path on next intersection continue straight (direction Rujno/Stražbenica). When come to Stražbenica (natural source of water) turn left – direction Pl. dom (mountain hut), continue straight down to the next branch where continue straight and then at Kosirica intersection turn right (direction Vidakov kuk). Continue straight to the Njive Marasovići intersection where turn left (direction Lugarnica). This path descend to the bottom of Velika Paklenica Canyon. At the canyon turn right on the main path and continue straight to the upper lot Velika Paklenica Canyon. After cca 100 metres of asphalt road turn left on educational path Pjeskarica (over wooden bridge) which leads you to the entrance of Paklenica National Park. Here turn left to the Marasovići Square and continue straight to the main road. Turn right, and after cca 100m turn left across the road to the finish (at Iglu Šport shop).

Important Notice:

- Caution on paths that are crossing the canyons Orljača and Mala Paklenica. Depending on precipitation there may be a stream flowing.
- Forbidden to use asphalt road that connects upper lot of Velika Paklenica Canyon to the entrance Paklenica NP.
- In the case of bad weather do not go to the top Crni Vrh because of the increased risk of lightning strikes on top.
