Description:

After start cross the main road and run on the left side of the road for another 100 meters where you will turn left to street „Paklenička ulica“ which leads to main entrance of Paklenica National Park. Next to entrance reception turn right, cross the small bridge and again turn right to educational path (Počuna staza) which leads you to ethno villages Škiljići/Dadići all the way to Jukići. Short after crossing the river bed of Mala Paklenica you'll turn left to macadam road which leads to village Stanići. Here you'll turn left to mt.path towards Kneževići. When you arrive to Kneževići turn left and go straight across orljače canyon and then straight across Mala Paklenica canyon. Trail takes you from the canyon to the left side all the way to Njive Lekine where you proceed straight to Jurline. There you will turn right towards Škiljići and proceed straight to Mala Močila and mountain hut. When you arrive to a hut go left to Kosirica. When you arrive to path crossing turn right to get over Popova pošta to arrive to Stražbenica. From Stražbenica turn left and pay attention to markings leading you to church Velika Gospa on Rujno. From there you'll return back same way, but only to one part of the way. Once you arrive to intersection of paths, you proceed straight to macadam road. Once you see ramp turn right to mt.path over Modrin dolac which finishes on asphalt road, actually a parking lot. Turn left and continue following the road for another kilometer once you'll see branch for mt.path where you'll turn left. On another intersection turn left and pass next to Ramići and Marasovići. Another crossroads go right (pay attention to sign Lugarnica). This path takes you to a bottom of Velika Paklenica canyon where you turn right and proceed straight down to a parking lot in Velika Paklenica. After aprox. 150m you turn left from asphalt road to educational path pjeskarica. At the end of this path you'll see main entrance of National Park and you'll go straight to Trg Marasovića to finish line.
